Art / DT	<p><u>Plant inspired art – linked to our Science topic</u></p> <p>We will start with observational drawings in pencil, then colour, then we will look at the work of William Morris and create our own designs in watercolour and ink</p>						
Humanities:	<p><u>Geography - Exploring Eastern Europe</u></p> <p>In this unit, children have the opportunity to explore Eastern Europe. Firstly, they will learn about the countries of Europe. They will then look in more detail at some of the contrasting areas of eastern Europe, finding out about the landscape, climate and locations in each area. Children will bring together their learning about one area of eastern Europe and create information booklets to share what they have found out. In the final lesson of the unit, children will find out more about Chernobyl and its impact on eastern Europe and the rest of the world.</p>
